

# ELEVATE YOUR REFRESHMENT SERVICES WITH SMART N GO!

Today's on-the-go consumers are seeking meal and refreshment choices that cater to their preferences. They want the ability to select healthy options, read ingredients and nutritional information, and even choose from fresh and frozen treats - all while enjoying a fast and easy purchasing experience.

## This is what you get with Smart N Go:

### ☀ CONVENIENCE:

Quick swipe, grab-and-go refreshment within a minute!

### ☀ EASE:

"Intelligent" design updates cart real-time as products are removed from shelf; when done shopping, just close door and walk away

### ☀ SELECTION:

Broad product variety and fresh food options

### ☀ STYLE:

Enhance the look and feel of your space with the contemporary design of Smart N Go

### ☀ PAYMENT FLEXIBILITY:

Credit, debit, cash, mobile pay, member card

### ☀ CUSTOMIZABILITY:

Modular design can be tailored to any location and most any products

## How it works:

- ☀ All products are secured behind locked glass doors
- ☀ Customer pre-authorizes their payment method to unlock door
- ☀ Infrared sensors capture real-time selection of products
- ☀ Automatic tracking records items as they are removed or returned to shelf
- ☀ Shopping cart is auto-populated with purchases
- ☀ When finished shopping, customer can shut door and walk away, or print out receipt at main station

# UNATTENDED, INTELLIGENT REFRESHMENT FOR PUBLIC AND TRANSIENT SETTINGS

## Modular configurations for most any space

Smart N Go can be configured to address your unique location needs with:

- ✧ Main Station for consumer interaction - print receipts, create/add funds to member card, present How-To videos
- ✧ Refrigerated Module for beverage and fresh food
- ✧ Ambient Module for snacks and sundries
- ✧ Freezer Module for frozen meals and treats
- ✧ Coffee and microwave equipment also available

## Smart N Go is ideally suited to enhance and expand refreshment experiences in:

- ✧ Office complexes and multi-tenant buildings
- ✧ Schools, colleges and universities
- ✧ Hospitals and medical centers
- ✧ Airports, train and metro stations
- ✧ Hotels and resorts
- ✧ Athletic stadiums and arenas
- ✧ Cruise lines
- ✧ Entertainment centers, e.g. casinos, museums, zoos, and more
- ✧ Military bases and prisons
